

Looking for practical ways to improve your resume? Interested in changing careers without missing a beat? Join JobLINC in partnership with Google for two virtual workshops exploring resume building and navigating a career change. Please register using the links below for access to these two awesome workshops or by exploring the events page at [HERE](#). We will explore ways to make your resume stand out with hiring managers and help you transition to that new career without missing a beat.

We look forward to seeing you there!
