206,436

total items checked-out, all ages

The Library added **10,925** new youth items in FY23!

That's **5,839** MORE youth books added to the collection than FY22!

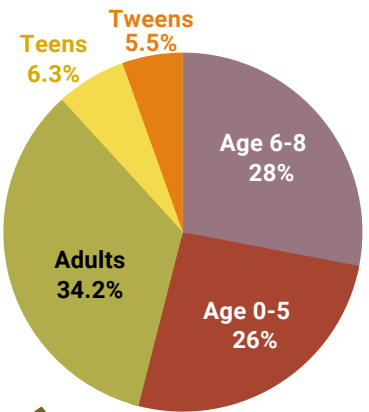

Over **7,400** MORE books checked out to young readers this summer compared to last summer!

My children found a new love for the library since coming to Levi. We feel like family when we walk through the doors. I'm so excited that my family got a chance to participate in Explore Memphis, and I hope we will do it every year.
