

MARIA HOSKINS

- Maria Hoskins has served as a Community Outreach Specialist for the Federal Government for more than 21 years. Off the clock, Maria has published seven children's books through her independent publishing company C & V 4 Seasons Publishing Company. In 2023 the newest release *It's My Birthday!* is a must have for every child's birthday. Her books are focused for students pre-K – 5th grade but enjoyed by the entire family. Maria's first children's book began with a vision of Christmas Eve at her grandmother's farm, recalling memories from a moment in time, reflecting on the meaning of Christmas. It's a touching story of a girl's memories of her family's holiday season in the mid-1960's on a rural Arkansas farm. "I am excited to share my books with students throughout Arkansas and around the world! The motive for my books is to share a happy memory from a moment in time, and to encourage young readers and writers that there is a book in all of us."
