## STYLE'S RETURN

King Opal has been widowed and Princess Crystal was a runaway. Just like Novia and every other country on Xtron, Gemta, was ravaged by the Great War. Once the Great War ceased, Opal and Crystal had some reconciling to do. Thankfully, Opal surrounded himself with two wise people: well-known fashion designers and greatest friends Kyanite and Jade. It was time for all four of them to sit down and revisit their life choices. But it wasn't that easy, Opal had been keeping a dark secret from everyone in Gemta...

16 year old author  
of 6 books!

Robert is a 16 year old author of 6 books. He graduated high school as valedictorian from E.E.S. Success Academy. He is currently a full time college student. He loves writing science-fiction, action, and dramas. Such as Window and The Novian Flame. He loves to bake under his moniker Robert's Cakery. Now he has been busy turning his movies, the ones that have been in his head since he was three years old, into books. Later, he'll turn these books into movies again. Robert knows that everything he does will always be Extraordinary.
