Charmeka T. Smith is a native of Memphis, TN.

She has a BSBA from the University of Tennessee at Martin and a MBA from Strayer University. She is an active member of her community and the Little John Baptist Church.

she enjoys spending time with her family, friends, co-workers, and watching sports in her free time.

While experiencing some unpleasanties in her life, prayer was her strength and salvation. Charmeka received strength not only for herself by prayer, but by praying for others as well. This is the creation of her book, **New Beginnings**.

Reflections of a Queen was created to uplift and encourage all queens! This is a reminder from A to Z how important you are. I wrote this book to remind you that you are built better than Ford tough but you were made by God! He created you to be special and to make this world better.
