

Angelic Mister

Angelic Mister is the owner of Mister Consulting Service, a consulting company that offers mentoring, coaching, and leadership training to youth and adults. She is a business and financial coach with Operation HOPE. She has graduated from two prominent leadership programs, Congressman Bennie Thompson's Leadership Program and Dr. David Satcher (the former 16th U.S. Surgeon General) Health and Leadership Program. She is a member of the National Coalition of 100 Black Women (Memphis Chapter). She has served as a police officer, city councilwoman, executive director, and community leader. She uses her life's journey to empower others who may want to transform their lives from darkness to light.

Every Woman Has a Little of Niecey

In "Every Woman Has a Little of Niecey: 10 Ways to Mend Brokenness," author, Angelic Mister takes readers on an inspiring journey from frustration to restoration, unraveling a compelling narrative that transcends the personal story of one woman to touch the hearts of many. Through the lens of her own experiences, the author navigates the challenging terrains of teen pregnancy, divorce, and domestic abuse, offering a raw and honest portrayal of a life transformed. This captivating memoir delves into the author's transformation from a disturbed youth to the Director of a youth program and from a startling statistic to occupying a seat at the City Council table.

With resilience and determination, she explores the depths of her struggles and triumphs, ultimately showcasing the unwavering strength that resides within every woman.
