

# Sharon Russell-Robinson

Sharon Russell-Robinson, a native of Tchula, Mississippi, discovered her passion for Human Resources after earning a B.S. in Mass Communications from Jackson State University. With 25 years of HR experience, she thrives on meaningful human connections. Inspired by her daughter's journey overcoming childhood challenges, Sharon is now fulfilling a lifelong dream of writing a children's book to help kids navigate anxieties and insecurities with imagination. When not writing, she enjoys martial arts, antique shopping, movies, and exploring the world with her family. ## **The Adventures of River and Her Whoobie**

is a heartwarming children's story about a shy girl named River and her comforting companion, Whoobie. A gift from her Granny, Whoobie is always by River's side, offering support as she faces the challenges of growing up.

The story highlights their bond through playful moments and times of fear, with Whoobie embodying the warmth and love of River's Mommy.

Alongside the narrative, parents will find helpful tips for encouraging resilience and addressing childhood insecurities.
