

A multi-series author, Kat Summers books are within an interconnected universe. Her sports romance series follows the players of the Nashville Songbirds baseball team and the women they fall for, blending witty banter, heartfelt connections, and confident heroines with just the right touch of heat. She also has a country rockstar romance series and standalone hockey romance and holiday novellas.

Kat has five releases planned for 2026 within her existing series.

Kat Summers

Kat Summers is a millennial contemporary romance author living in Tennessee. Her books are filled with just enough angst to hurt your feelings, witty banter to make you laugh, and steamy, swoon-worthy men to make you blush. She creates stories with strong and sassy heroines who can hold their own but never turn down a little praise.

When she isn't writing, she can be found reading and spending time with her family or out gossiping with the girls over margs and queso. Fueled by Diet Dr Pepper and a dream, Kat is excited to bring the couples that live in her mind to the rest of the world.
