STARTS WITH

FIND A CAREER YOU BELIEVE IN

These are anything but desk jobs. By joining our community-based programs, you'll provide therapy and support where children, families or young people need it most: their homes, schools and communities. Caseloads are small. Schedules are flexible and non-traditional.

PROGRAMS

Intercept®

Provide treatment and support to children and their families where they need it most – at home

LifeSet™

Guide young people leaving the foster care, juvenile justice and mental health systems into independent adulthood

Specialized Crisis Services

Help children experiencing acute psychiatric emergencies and their families

Foster Care

Provide treatment to children in foster care and support foster families

Multisystemic Therapy®

Bring evidence-based treatment to youth with juvenile justice involvement and their families

QUALIFICATIONS: MA/MS or BA/BS in social services field // Experience with at-risk youth

Youth Villages is a national leader in mental and behavioral health committed to finding the most effective solutions to help children, families and young adults overcome obstacles and live successfully. Working through direct services, partnerships with innovative public agencies and advocacy, we collaborate to bring positive change to child welfare, children's mental health and justice systems. Our 5,000 employees serve more than 47,000 children and young adults in more than 100 locations in 29 states and the District of Columbia. Youth Villages has been recognized by the Harvard Business School and U.S. News & World Report and was identified by The White House as one of the nation's most promising results-oriented nonprofit organizations.
