In-Person programming has returned to MPL, with nearly 3,000 people attending programs system-wide!

New Teen Innovation Centers have opened at North and Cordova Branches!

Inspired by the success of CLOUD901, the Innovation Centers are a place where teens can access STEAM related programming as well as a place to just hang out.

February 11 is 2-1-1 Day!

LINC 2-1-1 answered 15,861 calls in January and February – the highest total for that time period in 10 years!

"I always enjoy coming to these crafty afternoons at Cordova because there is always a sense of community while we are creating works of art!"

-Sandy K., attendee at 'What is Furoshiki?' program

"Thank you for being great community helpers and sorry I sometimes forget to give someone else a turn at the llama book."

Love, Ellie, 4

"This program was amazing because it shows creativity, interest in another culture, and hands on skills. I am just so glad I attended and learned something new."

- Gabrielle, CLOUD901 visitor

"I love the environment, all the people here, the people who work here."
