

WELCOME TO THE MEMPHIS PUBLIC LIBRARIES

This Library Card Has Benefits Designed Especially For Your Child!

CONGRATULATIONS! Your child is now a Memphis Public Libraries' student card cardholder. With this new card, your child can enjoy our huge downloadable collection of electronic books, magazines, and a list of other age-appropriate material from one of our 18 locations. We encourage parents, grandparents, and/or legal guardians to sign up for a library card also when you bring your child to the library!

Online access is fast and easy!

- Visit www.memphislibrary.org and click on the "Accounts" tab to register your student card.
- Click on the "Learn" tab on our website to access our online material and databases using the library card number on the back of your card. (Your PIN is the last 4 digits of your library card number.)

Your local branch has it all!

- Complete the information below to check out up to three (3) physical books or audiobooks at one time, access our online material via our website or the Libby/Overdrive e-reader apps. *Regular library fees will apply to DVDs and CDs.*
- Your child can return the form to any Memphis Public Libraries location to obtain a student library card or return the form to his/her school (if form was obtained from your child's school).
- Enjoy free Wi-Fi and computer access at every location or attend free activities, classes and programs throughout the year. We have something for all ages!

Your child will never have late fines!

- There are no overdue fines or other fees associated with our online material.
- If you fill out the form below and check out physical books or audiobooks, your child will not receive any overdue fines. *Any books or audiobooks checked out by your child can be renewed twice through their online account or by visiting any Memphis Public Libraries' location.*
- There is only a fine if your child loses an item. The fine will be the cost of the item and a processing fee. (Items are considered lost six (6) months after their due date.)
- Renewing your child's student library card is easy! Simply show proof of preK-12 school enrollment using your child's progress or report card, an official letter from your school, or your child's class schedule.

We want you to be happy!

- If you do not want your child to receive a student library card, simply return it to your child's teacher or to the local branch location.
